Ferenc KOZMA

REFERENCE: ECMA-24158

[ ]'s name came up in a 30 November meeting between [ ] and [ ] produced the attached diagram which he stated Subject had drawn up for him to explain the organization and operation of the AVH. On the back side of the diagram are listed the names of five AVH (or HLU) case officers resident in Brussels or Paris. We are forwarding this diagram for your information although we suspect these personalities are already known to you. If you are in touch with Subject, we request of course that he not be made knowledgeable that [ ] passed his material to us. We neglected to mention in reference that, according to [ ] he told Subject only that [ ] was a man he knew who was affiliated with a local AIS. KUBARK was not specified.

2. [ ] was asked whether Subject had indicated whether he was happy or not working for [ ] [ ] stated that Subject had not indicated one way or another, but had, however, expressed great dissatisfaction with his working conditions and career prospects in the mines. [ ] also confirmed our initial impression that Subject had left [ ] with the understanding that he was handling double agents (viz. three) for [ ] (and not that Subject himself was a double agent).
